THE 12th CHINESE RENEWABLE ENERGY CONFERENCE & EXHIBITION

Wuxi Taihu International Expo Centre
November 4-6, 2020

Hosts:

Supporters:

Executives:

Contact: Mr.Li Yufeng | Tel: 0086 510 81827277 | E-mail: liyufeng@crecexpo.com

Ms. Angelica Xue | Tel: 0086 510 81827276 | E-mail: xuelian@wuxicrec.org

Add: Room 512, Building 5, Civic Center, No. 199 Guanshan Road, Wuxi, Jiangsu Province 214131, China

Registration Web: www.crecexpo.com | Hotel Web: www.worldhotelgrandjuna.com

What's the Scale of CREC 2020?

20+ Forums & Workshops	50+ Overseas Purchasing Delegations
200+ Speakers	100+ City Governments
1000+ EPC	40+ Media
400+ Exhibitors	200+ Banks/Founds/Insurances
2500+ Attendance	3000+ Energy Consuming Enterprise
25000+ Exhibition Space	10000+ Buyers

Exhibition Category

- PV (Modules, Systems, Grid-Connected Inverters, Support Brackets, Cables)
- Energy Storage
- Hydrogen Power
- Off-grid Products and Technology
- Smart Grid
- Electric Vehicle
- Green Building
- Industrial Park

Why Come to Attend CREC 2020?

1. Over 40GW New Installed PV Market and 35GW New Installed Wind Power Market in China
2. One-stop Procurement Platform with Top 20 Companies to Attend
3. The Most Important Way to Get Government's Renewable Energy Policy
4. Convenient Transportation to 50% China PV Companies from Wuxi
5. Bridge Between Enterprises and More Than 1500 Decision Makers and Government Officials
6. The Worldwide Industrial Park Resources

What Topics We Focus On?

1. Development Trends of Global Emerging Renewable Energy Industry
2. China's Energy Internet and Renewable Energy Policy
3. Development and Maintenance Service in PV Power Plants and DG
4. How to Find Suitable Overseas Partner for Jointly Develop China Market
5. How to Get Distributed Generation Resource
6. High-Efficient PV Cell/Module Development Trend
7. Financing Modes and Business Innovation for Renewable Energy Industry
8. The Solution of Renewable Energy's Application
9. Development Trends of New energy Vehicles and Charging Piles
10. Energy Storage Technology and Market
11. Project Promotion of Wind, Solar, Energy Storage and Diesel Multi-energy Complementation
12. Hydrogen Energy Infrastructure Construction

Which Event Highlights to Be Shown?

1. Abundant Exhibition Content, Highlighting the Integrated Energy Services
2. Following the Policy Trend, Focusing on Enterprises' Requirement
3. Conducting the "Young Entrepreneur Forum"
4. Arranging the "PV Module Intelligent Manufacturing Forum"
5. Paying Attention to the Industrial Park Energy System, Conducting the "International Industrial Park Conference & Exhibition"
6. Overseas Emerging Market Analysis & Overseas Investment
7. Exhibitors' Promotion
8. Annual Award Ceremony CREC 2020
9. "The Belt & Road" Forum on International Renewable Energy Cooperation
10. China Hydrogen Power Industry Development Forum
11. Maritime Wind Power Industry Development Forum

What Preferential Policy We Shall Provide?

1. Speakers Recommendation

If you are an expert in renewable energy, we are looking forward to your policy and technology knowledge share at CREC forums.

2. Free Accommodation Application

If the overseas visitor registered as the buyer of CREC 2020 and audited by committee of CREC 2020, invitation letter and 1 or 2 accommodation expenses shall be covered by the Committee.

3. Discounted Price Before September 1

Standard Booth(3m*3m) Price: USD2,000/Booth;

Indoor Raw Space(≥36m², Hall Management Fee Included) Price: USD100/m²;

Conference Ticket USD 500/person

Review of CREC 2019

Where is Wuxi?

Traffic Tips

You can choose to take plane from Hong Kong, Tokyo, Beijing or Shanghai to Wuxi, or take high-speed railway from Shanghai or Nanjing within one hour.
